## **Phillips Staffing Announces Castillo Joins as Technical Recruiter and Craig Named to Two Education/Workforce Boards**

**(Greenville/Lancaster, SC, Date, 2011)** Phillips Staffing announces Janet Castillo has been hired as a Technical Recruiter. Monica Craig, Branch Manager of the Lancaster office, has been appointed to two boards focusing on workforce and education issues in the Catawba region.

**Castillo** recruits and places mechanical, electrical, chemical, project, and quality engineers, along with CNC technicians, electricians and other technical professionals throughout South Carolina.

Before joining Phillips, Castillo worked as a recruiter for 12 years in Florida and South Carolina. She also has experience with the South Carolina Department of Employment and Workforce Unemployment Insurance Division.

“Janet Castillo is a great addition to our team at Phillips Staffing”, stated Ed Parris, President. “Her experience in recruiting and working with the SC Department of Employment brings an added perspective to benefit Phillips and our clients.”

**Craig** is serving on a 20-plus member Workforce Action Team, the result of a recent Lancaster County sponsored workforce analysis--conducted by Greenville SC-based 10-x Group. The Team, known as WAT, has been formed to better connect employers and jobseekers and address the issues surrounding workforce, education and industry needs in the area.

She is also serving on the Catawba Regional Education Center, one of 12 centers in the state providing a network of local service providers to help students and adults access the guidance and opportunities they need to become the employees South Carolina needs to compete and excel in the global economy.

“By serving on both of these important boards, I hope to contribute my employment and industry background to help identify community workforce and training needs”, said Craig. “We can then ensure the resources are available to prepare our existing and future workforce for the jobs of tomorrow,” said Craig.

**Phillips Staffing**, a division of S.B. Phillips Company, Inc., is a 43 year-old full-service, Greenville-based employment company with 12 offices in the Southeast.
